ABSTRACT

This article is devoted to help to learn English proverbs in the variants of Uzbek proverbs. The article demonstrates lexical translational peculiarities of English and Uzbek proverbs. The article also shows the similarities and differences between English and Uzbek proverbs. This research paper also can be useful to other students who are interested in this field, as there is given the list of the most often used proverbs in English with their Uzbek form.

Keywords: folklore, proverb, lexical, peculiarity, meaning.
