ABSTRACT

There are many studies that touch on the cultural metaphor and the research is categorized into seven aspects, namely the Traditional Metaphorical Study, the Comprehensive Metaphorical Study, the Special Metaphorical Study, the Non-Special Metaphorical Study, the Cross-Cultural Metaphorical Study, the Animal Metaphorical Study and the Uzbek Metaphorical Study. Each of these categories will be elaborated in detail in the next section to identify what problems arise from these studies to be the basis of this study.

Keywords: Traditional, Complex, Comprehensive, Specific, Non-specific, Cross-cultural, Animal, and Uzbek metaphorical studies.
