TRANSLATION PROBLEMS OF PHRASAL VERBS

Dilafruz Razzakberdiyevna Umarova
Chirchik State Pedagogical Institute

ABSTRACT

This article is devoted to a very current theme about the translating of English phrasal verbs to Uzbek. Translating of English phrasal verbs is very important part of the science of translation because it couldn't be a real good correct translation without correct translating of the phrasal verbs. Translation is a complicated phenomenon involving linguistics, psychological culture, literary and other factors. Different aspects of translation can be studied with the methods of the respective sciences. Up to date most of theoretical research of translation has been done with the frameworks of linguistics.

Keywords: phrasal verb, target language, source language, equivalency, translating strategies, idiomatic phrasal verbs.
