ANNOTATSIYA

Tarjimachilik xalqlar o'rtasidagi madaniy, ijtimoiy, do'stlik aloqalari va munosabatlarini yo'lga qo`yish, mustahkamlash, taraqqiy ettirshga xizmat qiladi. Tarjima vositasida dunyodagi turli xalqlarning madaniyatlari bir-biriga yaqinlashadi, boyib, chuqurlashib boradi. Avaz O'tar o'gli "til vositai robitai olamiyondir" degan teran fikrni aytgan edi. Til tarjima quroli desak, tarjima vositai robitai olamiyondir. Tarjima insoniyat tarixida juda katta salmoqli o'rin tutadi. Ma'lumki mamlakatimizda ta'lim sohasida chet tillarini o'rgatish va o'rganish tizimida o'zgarishlar shiddat bilan amalga oshirilmoqda.

Kalit so'zlar: mukammal tarjima, matn, vositasiz to'ldiruvch, tahlil, tarjima usuli, xalqlar madaniy usuli, do'stlik aloqalari.

ABSTRACT

Translation serves to establish, strengthen and develop cultural, social and friendly ties and relations between peoples. Through translation, the cultures of different peoples of the world come closer to each other, enrich and deepen. Avaz Otar's son expressed the deep opinion that "language is the means of communication in the world". If we say that language is a tool of translation, the means of translation is the world of communication. Translation has a very important place in the history of mankind. It is known that in the field of education in our country, changes are taking place in the system of teaching and learning foreign languages.

Keywords: perfect translation, text, indirect complement, analysis, translation method, cultural method of peoples, friendly relations.
