ABSTRACT

The conditions created and the rapid changes and developments taking place in the environment, but in this article as we work in part-time pedagogical work from foreign languages in primary school – we would like to share my thoughts on how to use English language teaching in conjunction with other subjects, i.e., the integration of disciplines, and how to easily explain English words to primary school students. The article highlights teaching English in several integrated ways.

Keywords: integration, teaching, EFL, English, methodology, pedagogy, learners.
