ANNOTATSIYA

Ma’lumki, xorijiy tillarni o‘rganish murakkab jarayon. Agar o‘rganilayotgan til ona tili turli tillar oilasidan bo‘lsa, bu holat yana-da qiyinchiliklarni yuzaga keltiradi. Shu sababdan mazkur maqolada gapirish ko‘nikmasini shakllantirish usullari tahlil qilingan. Bunda muallif Stefan Krashenning qarashlariga suyangan.

Kalit so‘zlar: Xorijiy til, o‘qitish, metodlar, Stefan Krashen, yangilik, o‘qitish usullari, gapirish ko‘nikmasi, yangilik.
