ANNOTATSIYA

O’zbekistonning eng go’zal va betakror makonlaridan biri bu Farg’ona vodiysidir. Iqlim sharoiti, geografik joylashuvi, tabiiy boyliklari kabi qator xislatkariga ko’ra Farg’ona qadimdan e’tibor qozonib kelgan. Farg’ona viloyatining davlatchiligimiz tarixida tutgan o’z o’rni ham bor. Miloddan avvalgi II- I asrlarda bu yerda mintaqadagi ilk davlatchilik tizimlaridan biri mavjud bo’lgan. Albatta, uning asoslari ancha ilgariroq, kam deganda miloddan avvalgi 1-ming yillik o’rtalarida shakllana boshlanganiga shubha qilmasa ham bo’ladi.

MIRZO BOBUR’S INTERPRETATION OF HIS HOMELAND FERGANA VALLEY

ABSTRACT

One of the most beautiful and unique places in Uzbekistan is the Fergana Valley. Fergana has long been known for its climatic conditions, geographical location, and natural resources. Fergana region has a special place in the history of our statehood. In the II-I centuries BC there was one of the first state systems in the region. Of course, there is no doubt that its foundations began to form much earlier, at least in the middle of the 1st millennium BC.

Keywords: Fergana region, Davan state, Ershi, Mingtepa, Amir Temur, Umarshaikh, Abu Said, Shaibani.
